Mayor Paula Bowman called the meeting to order at 7:00 pm

Pledge of Allegiance was recited by all.

Reason for meeting is to further ask questions for the Drain/Fix for 95/314

Council asked the following Questions:

- Will your estimates fix the problem?
 - It won't hurt it but it will not fix it
 - This fix will be like a gutter over the drain
- In looking at the differences between the two estimates
 - Why 6" Pipe vs the 4" Pipe
 - One looks to have accounted for the Labor the other didn't specifically state it
 - When can you start
 - Both are saying late July
- Council would like to have new estimate prior to making a decision to ensure to include 6" Pipe and Asphalt

Next Steps:

Council will get back together after the new estimates, possibly start looking into obtaining an Engineer to look at and document specs in order to fix the issue and to begin obtaining Estimate for possible Storm Drain project for Village.

Beverly Moser made the motion to adjourn the meeting
Next Meeting: May 18, 2023 @ 7:00 pm
